

Term 1, 2025

NEWSLETTER

Important Dates

TERM 2

Term 2 tutoring will begin on MONDAY 28 April. This may be a staff development day at your child's school, though tutoring with us will begin.

HOLIDAY SESSIONS

We will run holiday sessions (by request) during the school holidays. Please call or email us to arrange this (ph: 9188 2468).

REPORTS

Tutoring reports will be emailed to families by the end of the school holidays. Please note our policies now state a 9 session attendance minimum is required to qualify for a report, thank you.

PUBLIC HOLIDAY CLOSURE

We will be closed on 18-21 and 25 April for the public holidays.

From the desk of...

"Tutoring with heart...". When someone asks what sets We, Future Leaders apart, this is always the first reply I think of. There are many tutoring centres or coaching businesses around... what makes us different? It's a great question! There is a lot we do out of the limelight that I'd like to celebrate.

Did you know we work in partnership with:

- **Department of Communities and Justice**, providing educational support to children in foster or out-of-home care.
- **Ronald McDonald House Charities**, tutoring children who may have missed school due to illness/injury.
- **NSW Department of Education**, delivering motivating and inspiring school talks for high school students.
- **The Youth Partnership**, providing work experience opportunities to local high school students.

- **YLead**, guest speaking at their leadership events on how to be an active leader and inspire positive change.
- **Brainchild Foundation**, tutoring children that have missed school due to a diagnosis of brain or spinal cord tumours.

We are passionate about being involved in our community and meeting the needs present! We do all this proudly, in addition to our highly regarded in-centre and online tutoring and mentoring programs.

≡ Our Highlights ≡

< Darian (our CEO) was recently invited to the [Share the Dignity](#) podcast, sharing her personal story and emphasising the need to end period poverty. [Click image for link.](#)

> We were lucky enough to receive a visit from Vada, an [Assistance Dogs Australia](#) pup-in-training!

Safe to say, our daytime distance education students were delighted with the surprise!

Vada showed off some of her skills and also got lots of cuddles and treats. What a good pup!

< Darian was recently a guest speaker at The Youth Partnership awards ceremony. We won the Best Host Employer for Business Services students a few years ago, and Darian spoke about how we support students.

STAFF SHOUT OUT

Congratulating **Kristin**, who was awarded our 'Tutor of the Term', for her amazing work and dedication to her students. Well done, Kristin!

Happy holidays and regards,

Sophie
Head of Education

Tutor Spotlight

Meet
Bram!

Tell us about the work you do:

Hello everyone, I'm Bram. I'm currently at university and I tutor Year 11 and 12 English, Economics, History and Design & Technology at We, Future Leaders. I believe that every student has the capacity to do great things, and as such, I allow them to have a say in the way each lesson is conducted and how I can help them reach their full potential.

What's the most rewarding thing about being a tutor?

I have found that building a connection with my students has been the most rewarding part of tutoring. It helps me look forward to every session and by serving as a friendly mentor, I have watched my students become more confident both personally and in their studies.

Share a fun fact about yourself:

I love to travel, stay active and spend time doing new things. This past year I was lucky enough to go to Europe and Vietnam and they were both fantastic trips.
