love  
to  
learn!*

## Important Dates...

### TERM 4:

Term 4 tutoring will begin on **MONDAY 13 October** - see [p.3](#).

The last day of Term 4 tutoring will be **SATURDAY 20 December** (then school holidays will begin).

*Our terms each run for 10 weeks.*

### HOLIDAY SESSIONS

We will run holiday sessions (by request) during the school holidays. Please call or email us to arrange this (ph: 9188 2468).

### REPORTS

Tutoring reports will be emailed to families by the end of the school holidays (9 session attendance minimum required as per our policies).

## From the desk of...

How did we get to September already?!

At We, Future Leaders, we know all too well how busy Term 3 can be for students and families alike. As both a teacher and a mum, I see firsthand how this time of year is packed with milestones and meaningful experiences - from Kindergarten through to University. Across the country, schools are alive with camps, socials, public speaking competitions, performances, and of course... exams!

A special shoutout must go to our senior high school students. Year 11s have just completed their preliminary exams, while Year 12s taking the ATAR pathway have wrapped up their HSC trials. With HSC exams starting next month, many students are likely feeling like there's barely time to catch their breath. We see you — and we're here for you.

At We, Future Leaders, we understand that every student's learning journey looks different. That's why we work with children from a wide range of educational settings - local schools, boarding schools, homeschooling, hospital schools, and distance education programs. No matter the path, we're committed to helping students thrive both academically and personally.

*continued...*

To all our students and families, thank you for allowing us to be part of your educational journey. We're here to support you as we head into Term 4 and beyond.

Read on to find out what's coming up, and how we can support your family through the final stretch of the year.

Sophie

Head of Education

## = Our Highlights =

### COMMUNITY RECOGNITION

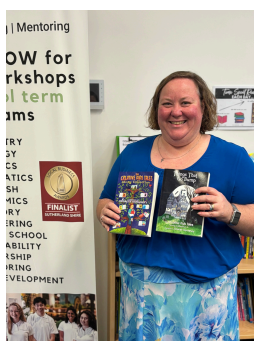

We celebrate the recent recognition of We, Future Leaders in a **Community Recognition Statement** at the Parliament of NSW, presented by Maryanne Stuart MP and Hon. Christopher John Minns MP. We are sincerely proud of the work we do and appreciate such high recognition.

### AUTHOR VISIT!

A sincere thank you to published author and WFL parent, **Hayley Hunkin** for generously donating books to our free student library! The books are filled with entertaining and captivating short stories and we can't wait for our students to borrow them!

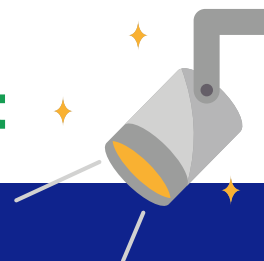

You are welcome to find out more and email Hayley at [hayleyhunkin.author@gmail.com](mailto:hayleyhunkin.author@gmail.com) to secure a copy!

## Staff Shout Out! ★★★★★

Congratulating **Anne** (one of our teachers) who was awarded our 'Tutor of the Term'. Thank you, Anne, for your amazing work and dedication with our distance education students.

## Tutor Spotlight

Meet Indie!

### Tell us about the work you do:

I tutor high school Physics, Chemistry and Maths at We, Future Leaders. I've been a tutor for more than 6 years. Outside of WFL, I study Mechanical Engineering and Commerce at UNSW, work as an Engineering Cadet at ANSTO, and teach first-year university courses in engineering design. I am always working to understand and work with students' specific needs, allowing them to approach the later years of high school in the best way possible!

### What's the most rewarding thing about being a tutor?

The most rewarding part of being a tutor is being involved with the 'Aha!' moment when students understand complex topics. I enjoy framing concepts in different ways, and I'm consistently finding new ways to work through ideas and content together.

### Share a fun fact about yourself:

I spent the last 6 months of 2024 studying and living in Copenhagen!

**Our Term 4 (10 weeks) is highlighted**

We understand that some schools follow different calendars.

As we proudly tutor over 150 students each week, this means that our students attend different school systems (public, independent, Catholic etc.).

Due to this wide variation, at We, Future Leaders, we follow a strict **10 week term, four times a year**, outlined in our proposals that families sign.

Please see the calendar above for our term 4 enrolment period, which has these 10 weeks **highlighted** (varies for HSC students only in term 4).

For pausing or changing services, we require 2 weeks' notice, also outlined in our proposals.

# 1-1 MENTORING WITH

*Darian*

## Benefits:

- Better leverage your time and effort to maximise your results
- Build a positive and productive mindset
- Feel more prepared for examinations and assessments
- Develop effective goal setting and strategies to stay on track
- Refine your time management
- Explore helpfulness, hindrances and potential blocks
- Meet deadlines and better manage your schedule
- Create effective study habits and techniques
- Strengthen emotional regulation and stress management skills
- Explore concepts such as resilience and grit, and how to apply these principles in life
