

END OF TERM 3 NEWSLETTER

What's
new
here?

Hello to our WFL families!

Another term down, and one left to go for the year!

I'd like to give a special shout-out to our year 12 students as they have an important milestone ahead - graduating from high school! Congratulations to you all, whether you are completing an ATAR or a non-ATAR pathway. We are thinking of you!

For those about to undertake HSC examinations, please look after yourselves during this time. Physical, mental and emotional care can go a long way to help you feel balanced, calm and positive. Also remember to ask for help from your support network, whether it be family, friends, school teachers or your tutor. We are here for you.

I'd also like to acknowledge tutors Ethan H and Alyssa, who were recently awarded Employee of the Month. Ethan and Alyssa are highly skilled and dedicated to supporting their students and we are so fortunate to have them as part of our brilliant team.

With the holidays around the corner, I wish your children a fun break. We look forward to seeing you in Term 4 (**starting Monday 14 October**)!

Warm regards,

Sophie

Head of Education (We, Future Leaders)

Our Director Darian was recently invited as a guest speaker by ACECQA.

We always love building our collection of social and emotional skills resources!

Tutor Spotlight Meet Scarlett!

Tell us a bit about the work you do:

Hi, my name is Scarlett and I tutor at We, Future Leaders. I am at the University of New South Wales studying Media (Screen and Sound Production). I love all cinema so I volunteer at film festivals when I can.

What's the most rewarding thing about being a tutor?

The most rewarding thing about being a tutor is seeing students unlock their full potential and realise they can achieve anything they put their minds to. I feel so proud when students become more confident in their studies and themselves.

Share a fun fact about yourself:

I adore golden retrievers and fresh daisies!
