

# END OF TERM 1 NEWSLETTER

What's  
new  
here?

Hi families!

What an exciting term it has been with so much to celebrate!

This year we were thrilled to announce the opening of our second centre. We're incredibly grateful for the encouragement and positive feedback we've received so far, and we can't wait to continue providing top-notch education and support to even more students from our additional location.

To add to this exciting milestone, we're proud to share that our director and CEO Darian was nominated as a finalist for NSW Young Woman of the Year! This recognition is a testament to her exceptional leadership and contributions to the field of education. Please join me in congratulating her on this accomplishment!

Our new Kirrawee centre!

As we head into the school holidays, we want to make sure our students have plenty of opportunities for growth and learning. That's why we'll be running a series of engaging workshops during the break. These workshops (years K-12) will provide a fun and educational environment for students to explore new subjects and enhance their skills, from Monday-Wednesday in both weeks of the April school holidays. Timetables can be found on our website - please contact us soon if you'd like to book a spot!

I'd like to take this moment to express our heartfelt gratitude to all our students, parents, and tutors for their hard work and dedication. We couldn't have achieved this success without you. Wishing everyone a fantastic school holiday filled with rest, relaxation, and quality time with loved ones. We look forward to next term (**starting Monday 29/4/24**) for more amazing learning experiences!

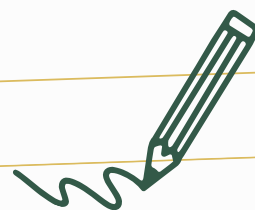

From,

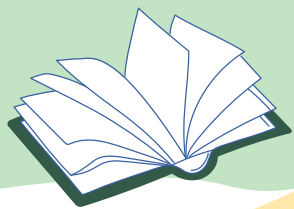

*Sophie*

Head of Education (We, Future Leaders)

Darian as a NSW Young Woman of the Year finalist, 2024 with the Governor of NSW, the Honourable Margaret Beazley

## Tutor Spotlight

### Meet Idallia

#### Tell us a bit about the work you do:

Hello, my name is Idallia and I am a tutor here at We, Future Leaders. Aside from tutoring, I am a student at Sydney University, pursuing a degree in Primary Education.

#### What's the most rewarding thing about being a tutor?

Being someone a student can trust and form a positive relationship with. I take immense joy in being their supporter, witnessing them become more driven to learn and seeing their self confidence and motivation flourish.

#### Share a fun fact about yourself:

Whether it's on a hot summer's day or in the middle of winter, you will always find me in the ocean!

## Save the date

- End of Term 1 at WFL: Saturday 13/4/24
- April Workshops: Monday, Tuesday and Wednesday during both weeks of the holidays
- April Holidays: End of term reports sent out (for applicable sessions)
- **TERM 2 starts at WFL: Monday 29/4/24**

One of our amazing year 6 students (Chloe) is raising money for her dear friend Tirion, who was recently diagnosed with Childhood Ovarian Cancer.

In support of Tirion's bravery and courage, Chloe is asking for sponsorship and donations for the Ovarian Cancer Research Fund and in turn will shave her hair off on 8 May 2024 (World Ovarian Cancer Day).

We are proud to support you. Donations can kindly be made [here](#).
