

# END OF TERM 4 NEWSLETTER

What's  
new  
here?

Happy holiday season, WFL families!

The end of the year is always a lovely time to reflect. We have much to celebrate at We, Future Leaders.

Firstly, a congratulations to our recent Employees of the Month - Idallia, Phillip and Diana. Thank you for your exceptional work, dedication and care shown to your students. We are very fortunate to have such an amazing team at WFL!

As you may know, WFL is passionate about supporting causes near and dear to our hearts. We have a long standing partnership with Ronald McDonald House Charities, where we provide tuition to students and their siblings who have experienced disrupted education due to chronic illness or injury. Recently, our CEO Darian participated in the RMHC "Walk in my Shoes" sleep out, to raise much needed funds to ease the burden for sick children and their families staying at the house. Darian (in a team of 10 company executives), raised over \$30 000, which will provide 190 nights' worth of stay (food, accomodation and support services) at the RMHC Westmead facility. What a contribution!

Finally, warm wishes to you all as we wind down for the school year. Please see the next page for some helpful dates and announcements.

Warm regards,

*Sophie*

Head of Education (We, Future Leaders)

I was very honoured to recently be awarded a Rotary award for Vocational Excellence. I look forward to working with and supporting our community going forward!

A big thank you and congratulations to the amazing fundraising efforts of the CEO team, for RMHC!

# Important Dates

## End of Term 4 at WFL:

- The last date of tutoring for this year will be Saturday 21/12/24.

## Tutoring Reports:

- Tutoring reports will be sent out via email by the end of Week 10.

## Holiday Sessions:

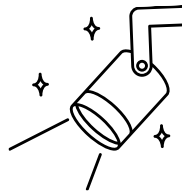

- We are running January Holiday 1:1 Sessions. Email us to arrange a booking.

## 2025 Tutoring:

- TERM 1 starts at WFL: Monday 10/2/25 ("week 2" of the school term).  
Reception will be in touch with all families regarding 2025 enrolments.

## Tutor Spotlight

*Meet Nelson!*

“ We may all be different fish but at this school we swim together. ”

### Tell us a bit about the work you do:

Hi, I'm Nelson! I am a primary school teacher with a Bachelor of Audio Production and a Master of Teaching, and I tutor at We, Future Leaders. I'm also passionate about travelling, mindfulness practices and creating music.

### What's the most rewarding thing about being a tutor?

For me, the most rewarding part of tutoring is building rapport, sparking curiosity and helping students grow in confidence. From there, lessons are transformed into a flow of exciting, inquisitive learning.

### Share a fun fact about yourself:

In 2021, I travelled solo on a bicycle for 9 months from Portugal, through Europe and Turkey, all the way to Jordan. It was the trip of a lifetime!

# SERVICES

Multi-session discounts offered for families

SAVE 5% when booking 2 classes per week.

SAVE 10% when booking 3+ classes per week.

## SMALL GROUP TUITION

Access exceptional tuition in a 4:1 ratio at an affordable cost! Students experience the benefits of 1:1, while boosting classroom confidence and collaborative learning skills.

## 1:1 TUITION

For students who require specialised learning intervention or temporary academic support, 1:1 tutoring is designed to address individual learning goals.

## ACADEMIC ASSESSMENTS

With a range of academic assessments available for students prep-12, uncover your child's current learning ability across a range of subject areas.

## 1:1 MENTORING

Designed to provide clarity, strategy and accountability, mentoring is perfect for those looking to improve performance, confidence, relationships, mood, or to reach a personal goal.

## HOLIDAY WORKSHOPS

Holiday workshops are the perfect opportunity to trial our services, catch-up or get ahead in school work, meet new friends, and keep the mind active during the break!

## SPECIALTY COURSES

Throughout the academic year, we offer a variety of specialty courses to best suit the needs of students in our community.

## SCHOOL READINESS

Enhances developmental skills in children, in the year before they start formal schooling.
